A GATED SECURE AIRPORT COMMUNITY

Skyland Airpark offers over 184 acres of pristine landscape with newly cleared spaces ranging from 1/2- 4 acres. Lake frontage lots offer unmatched views between Skylands 3 lakes. We have spots available with premium runway access or enjoy a more peaceful location among the surrounding forest and nature trails. Additionally, we are offering to complete your package with one of our Chalet/Hanger designs, with customizable upgrades and amenities tailored to your preference! All homeowners will have access to the 1800 X 100-foot grass runway with 60-foot taxi roadways.
